A Name You Can Trust

In our industry, a handshake still means something. Our success comes from always doing the right thing because the only way to succeed for over 20 years is to treat people fairly.

AgGuard®

A Tool to Protect your investment

Ag Guard Super-Select Program

Peace of mind for your investment

Tractors, Skid Steers, Combines, Windrowers, Light Construction

Why Ag Guard?

We are the first company to offer third-party coverage on Ag equipment, and for over 20 years we have earned our unmatched reputation for treating folks right.

You anticipate covering maintenance costs and breakdowns resulting from regular wear and tear. We cover failures caused by defects in workmanship or materials—unpredictable expenses that can wreck your total cost of ownership.

Coverage Type: Platform

Powertrain— Covers the internal components of the engine & drive train

Powertrain + Hydraulic— Adds pumps and other hydraulic components

Platform— Covers components listed above plus adds items like the starter, alternator, and A/C compressor

YOU DECIDE:

Years of Coverage:
1 to 5

Hours of Coverage per Year:
300 or 500

Standard \$500 Deductible
